Get forms online - [tax.utah.gov](http://tax.utah.gov)

### Renewal Application

Complete and return the entire renewal application to renew your IFTA license and decals. Return with payment within 10 days. Account will not be renewed unless all returns are filed and paid in full.

Enter the number of decal sets needed for the company identified on this IFTA renewal. Base the number of decal sets on the number of units owned or leased by this company and that will be accounted for on this company's IFTA return. These IFTA decals may only be used on units reported on this company's IFTA return.

Additional decals purchased must be tied to additional units purchased or leased by this company or used to replace unusable decals. Additional decals can be requested on form TC-934.

**Federal ID (FEIN/EIN):** Use the federal ID number assigned by the federal government. This number is the IFTA/Special Fuel User License number. Due to privacy issues, we discourage the use of Social Security Numbers.
